### **PUBLIC FORUM SCHEDULED TO DISCUSS NEW PARK SITE**

A public forum will be held Tuesday, January 8 to gather citizen input on the property purchase for a new Southwest Park. The discussion will be held at Doug Tew Community Center at 5:30 p.m.

The City of Dothan's Southwest Park Selection Committee recently narrowed the future site to one parcel consisting of 87.5 acres. The property is located just off Campbellton Highway with access to Taylor Road and is currently listed with Register Realty.

The purchase price for the property is being negotiated. The property will be placed on the Dothan City Commission's Administrative Meeting Agenda on Tuesday, January 8, 2008, at 10:00 a.m. Both the site and purchase price will be voted on by the Commission at a later date. The public is invited to attend both the Administrative meeting and evening forum on January 8.

For more information, please call Dothan's Public Information Officer Cynthia Green at 615-3117.
