Dear Parent,

We, at the Miracle League, would like to take this opportunity to introduce ourselves to you. "The Dothan Miracle League" is an organization that provides children with mental and/or physical challenges an opportunity to play baseball as a team member in an organized league. There is something about playing the game of baseball that lights up youngsters' eyes, but for children facing physical and mental challenges, that opportunity can often be a difficult first step. The Miracle League gives children the opportunity to get out in the sunshine, and enjoy playing the game of baseball in its purest form. It is the first of its kind in our area and will serve children of surrounding counties in the Wiregrass Area.

We are in the process of building a specially equipped baseball field that will give mentally and physically challenged children the recreational opportunity they deserve. Construction of the field requires special design, specifications, and detail in order to be accessible to disabled children. Plans are for the construction of Dothan's "Rotary Miracle Field" to be complete by November. We will have our first real season in April 2008, when baseball season opens for every child.

This "Field of Dreams" is located adjacent to the recreation center in Westgate Memorial Park, Dothan, Alabama. This location was chosen so the Miracle League participants would be able to play baseball alongside other children.

We look forward to watching your child participate in The Dothan Miracle League. To obtain a registration and/or volunteer form, you can visit our website at www.dothan.org and click on the Miracle Field logo. Should you have any questions, please feel free to call league coordinator, Elston Jones, at any time. You can reach us at (334) 615-3700.

Sincerely,

Anne Rumble, Director
Department of Leisure Services
