

PROCLAMATION

WHEREAS, the first Monday in March has been designated as COVID-19 Victims and Survivors Memorial Day; and

WHEREAS, COVID-19 (SARS-CoV-2) is an illness caused by a virus that can transmit from person to person and has spread across the world, creating a global pandemic that is having catastrophic effects on human life, our community, and our economy; and

WHEREAS, local and state governments, health departments, and public servants have taken bold actions to protect residents, support struggling local economies, and find innovative ways to provide services; and

WHEREAS, in response to rapid spread of COVID-19 and stay-at-home orders, essential workers have stepped up to provide critical services to help protect our communities and save lives, sacrificing their own health and safety; and

WHEREAS, COVID-19 has had a disproportionate impact on low-income communities and communities of color, exacerbating inequities already prevalent in our systems that we must address as a nation; and

WHEREAS, public health guidance and policies targeted at prevention, such as social distancing, wearing masks in public, and staying home, help mitigate the spread of COVID-19, prevent illness, and lessen the burden on individuals and society; and

WHEREAS, the symptoms and severity of COVID-19 can vary dramatically by individual and the long-term health implications for survivors is largely unknown, as many survivors suffer with lingering side-effects of the disease long after they no longer test positive; and

WHEREAS, each life lost to COVID-19 mattered and leaves a hole in the hearts of loved ones, family members, and surrounding community.

NOW, THEREFORE, I, Mark Saliba, Mayor of the City of Dothan, and on behalf of the Board of City Commissioners of the City of Dothan, Alabama do hereby proclaim March 1, 2021 as
