AQUACISE

Registration Procedures

Revised 12/1/20

1. Aquacise Registration will be held on the Monday & Tuesday prior to the start of the next session, unless a holiday or other event causes it to be moved to a different day.
2. Each participant may pick up a registration card that must be filled out and returned to the locked box at Wellness. Everyone must fill out a card. Two people cannot be on one card. You may only register for one class during this time. This can be done anytime the building is open on the Monday & Tuesday of registration. Participants will select their top five choices in order of importance. Only one card may be turned in per person. All cards are due by closing on Tuesday and will not be accepted after.
3. There will be a box to check if you prefer to take a class with someone (spouse, ride, sibling, etc). Please know that by checking this box, you may forfeit your first choice depending on when the second name is drawn (you have the best chance of getting your first choice by not writing in someone else's name on your card). Do not put a name in this blank unless the person that you are listing is also writing your name in on their registration card.
4. On Wednesday, staff will draw names and complete rosters. As rosters fill, participants will be enrolled in their first available choice. One staff member will draw names, one will fill in the rosters, and one will simultaneously enter all names into an excel document in order to cross-check for duplicate entries. This process will continue until all cards are drawn. An Aquacise representative will be present to ensure transparency. Anyone who has turned in more than one card will be removed from the process and given their first available choice after all other names have been drawn.
5. The results will be posted at the pool and emailed on Thursday morning.
6. Registration will continue at Wellness Friday morning at 8am for additional available spots.
7. Payment is due at the first class you attend. Payment will be accepted through Friday of the first week of class. You must pay the first time that you attend the first week! Payments will be accepted at Wellness anytime that the building is open. Payments accepted are checks or cash. Anyone who has not paid by closing on Friday at 3:00 pm will be removed from their roster.
8. Please note:
 - After registration, participants are enrolled only in the class that they registered for. It is not permissible to switch to other time slots unless you have registered for that class in the office.
 - Please do not enter the water until the class start time.
 - No visitors are allowed to attend a class without prior registration. No visitors or guests are allowed on the pool deck at any time.
 - No prorated fees will be charged. No refunds or rain checks. If a participant is not able to continue in a session due to circumstances beyond their control, please contact Kelly Stakelum, Aquatics Manager, prior to the end of the session with information.
 - Daily lockers are available at Westgate Wellness FREE OF CHARGE to program participants when checking in. Keys will be given from the Wellness Pool desk when you check in and must be returned after each use. Please lock your locker before you return the key. Because of the large number of participants that utilize the pool, personal items cannot be left in the facility lockers overnight.
 - The whirlpools remain closed at this time due to Covid restrictions.
