## HUD DEFINITIONS

### FOR IDENTIFYING PERFORMANCE MEASUREMENTS

#### OBJECTIVES:

**Suitable Living Environments:** Activities that benefit communities, families, or individuals by addressing issues in their living environment. [Staff Note: This will be the objective for most CDBG Public Service category applications.]

***Examples:***

- \* Addressing health and safety issues, especially for special populations (HIV/AIDs, elderly, frail, disabled)
- \* Any kind of eligible assistance to special populations
- \* Subsidized childcare
- \* Self-sufficiency programs

**Decent Affordable Housing:** Housing activities that meet individual family or community needs. This objective should not be used for activities where housing is an element of a larger effort.

***Examples:***

- \* Land acquisition for affordable housing/emergency shelters
- \* Rehabilitation of affordable housing
- \* Housing counseling
- \* Homebuyer assistance
- \* Emergency shelters

**Creating Economic Opportunities:** Activities related to economic development, commercial revitalization, and job creation.

***Examples:***

- \* Job skills training

#### OUTCOMES:

**Availability/Accessibility:** Activities that make services, infrastructure, housing, and shelter available and accessible. Note that accessibility does not refer only to physical barriers. (“Does this open up the world for people?”)

***Examples:***

- \* Creation or maintenance of affordable housing for special populations
- \* Emergency shelters
- \* Addressing health and safety issues, especially for special populations (HIV/AIDs, elderly, frail, disabled)
- \* Any kind of eligible assistance to special populations

- \* Self-sufficiency programs
- \* Housing counseling
- \* Job skills training

**Affordability:** Activities that provide affordability in a variety of ways. It can include the creation or maintenance of affordable housing, basic infrastructure hookups, or services such as transportation or daycare.

***Examples:***

- \* Land acquisition for affordable housing
- \* Rehabilitation of affordable housing
- \* Subsidized childcare

**Sustainability:** Activities that promote livable or viable communities and neighborhoods by providing services or by removing slums or blighted areas.

***Examples:***

- \* Planning projects
- \* Economic development projects
- \* Urban/neighborhood upgrades or revitalization

## **HUD DEFINITIONS**

### **FOR IDENTIFYING HOMELESSNESS & HOUSING HOMELESS**

- 1) An individual or family who lacks a fixed, regular, and adequate nighttime residence; or
- 2) An individual or family who has a primary nighttime residence that is:
  - a) a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill);
  - b) an institution that provides a temporary residence for individuals intended to be institutionalized; or
  - c) a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

#### **CHRONICALLY HOMELESS:**

A chronically homeless person is an unaccompanied homeless individual with a disabling condition who has either:

- 1) been continuously homeless for a year or more, or
- 2) has had at least four episodes of homelessness in the past three years.

A disabling condition is defined as a diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability. For chronic homelessness, the definition of a homeless person is an unaccompanied individual sleeping in a place not meant for human habitation or in an emergency homeless shelter.
