

DOTHAN
LEISURE SERVICES
PLAY • LEARN • GROW

It is our mission to maintain quality parks and recreation facilities, provide comprehensive and customer-friendly leisure activities for citizens of all ages, create tourism through events, and plan future programs and facilities as needs evolve.

CURRENT PROJECTS

Eastgate Park

The main driveway is in the process of being paved. The elevated platform at the Archery Range is currently being rebuilt.

Water World

A play structure, which includes a giant tippy bucket, an enclosed slide, and interactive play features, will be installed in April.

Walton Park

The trail will be paved beginning April 12th. The islands in the parking lot are currently being landscaped.

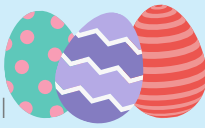

Westgate Softball Complex & Northcutt Football Field

New Musco sports field lighting is scheduled to be installed in June of this year.

North Forever Wild Trail Head

The pump track is currently in the process of being rebuilt.
