permits@dothan.org

PROPERTY ADDRESS: _____

PERMIT NUMBER: _____

Upon completion of the demolition of any residential or commercial building, the following conditions shall be met:

1. All trash and debris must be completely removed from the site. **The City of Dothan will not remove any trash or debris resulting from a demolition.**
2. The sewer lateral shall be cut, securely capped or plugged with concrete, and inspected by the City of Dothan inspector prior to coverage. The lateral shall be plugged immediately behind the curb or sidewalk. An "L" shall be chiseled into the curb at the spot of the lateral.
3. The approximate distance from the nearest street manhole shall be shown on this sheet, along with acceptance by the City of Dothan inspector.
4. If the building is on an individual sewage or septic tank system, the tank shall be pumped of contents. The bottom shall be broken and completely back filled with sand or soil. The City of Dothan inspector shall inspect the tank prior to coverage.
5. The site shall be stabilized to prevent and silt or sediment from leaving the site as a result of land disturbance.

This form shall be returned to Permits and Inspections with all required signatures upon completion of the project.

The number to call for an inspection is (334) 615-4450.
